ABOUT

From a shared appreciation of a humble carrot dish at 121BC, James Ward, Asher Goldstein and Simone Sammuri launched FRANCIS in January 2018. Inspired by Melbourne's contemporary dining scene and the flavours of the Middle East, the goal was to deliver quality food, an invigorating wine list, and high-level service in a neighbourhood setting.

Early in 2023, the second outpost was born, this time in Soho and taking influence from the fragrant spices and smoky flavours of the maghreb, the multicultural region of North Africa, consisting of Algeria, Tunisia, Libya and Morocco.

Over the years, we've been asked countless times to deliver our distinctive style of food and level of service outside of our venues. Catering by FRANCIS is the answer to this!
